Place an "X" in the box that corresponds with the temperature. The hashed zones represent unacceptable temperature ranges. If the temperature recorded in the this zone: 1. Store the vaccine order proper conditions as quickly as possible; 2. Call the vaccine manufacturer(s) to determine whether the potency of the vaccine(s) has been affected; 3. Call the Kansas Immunization Program at 785-296-5591 for further assistance; 4. Document the action taken in the section provided below. Rev.8-24-04
